Dear mr Weisberg

Thank you for writing back. I was glad to get your letter. My mom said we probly could come down on October 6th. I really cant wait, I would like to see the files you have, Also have some copies of them.

I spent a lot of nights up really late looking over papers and photos and got really frustrated at times. But after 4 years of research I fell like I finially got some where. Any way, I'll see you when I get there and Im sure we'll have lots to talk about. Thanks for your time,

Your friend
Cal Schoonover

Ps. My mom and I will leave October 6 or 7 and we will call you on Sunday to ask you know what time is ok.
